A word from Bob:

We are now dealer direct with Ft. Knox and have the lowest prices in Arizona on Ft. Knox safes. Many people spend more on a gun than they would on a safe that could protect all their guns.

Every week, I hear stories of gun thefts where people did not have a safe. You can get a good Ft. Knox safe for \$1200 and have peace of mind.

Come in and talk to us about it, we are the experts and Ft. Knox is the best on the market. We also have a layaway program so you don't have to pay for the safe in full until it is delivered.
